How to maximise your booth and presence

We strongly recommend consider the 5 steps to maximise your booth and presence:

Plan

- Ensure you are completely ready and prepared for the one-day event.
- Consider the size of your booth when preparing furniture and signage.
- Ensure you have ample promotional/information material – and proofread everything.
- Keep your booth focused and consistently branded across all items.
- Highlight your product or brand and think of ways to make it stand out.
- Provide easy-to-use forms (digital is preferable)
- Plan and document your move-in and daily schedules so that all staff know what is expected and nothing is missed. Make up a survival kit of pens, paper, chargers etc.

Design

- Use high-quality imagery. Let the professionals do their job – with your guidance.
- Keep the booth bright, simple and clean.
- Minimise clutter – don't fill the booth with too much content or distractions.
- Tell attendees what you do in the simplest way possible.
- Visualise how people will engage and how it reflects your brand, service or product.

Engage

- Smile and be as inviting and friendly as possible without being intrusive.
- Leave a lasting impression! Branded merchandise/information for attendees to take home.
- Know your pitch, your organisation and how to answer difficult questions. Prepare a communication plan.

Customer Experience

- Use social media to share what's happening at your booth in real-time & pre-expo.
- Serious clients do not want to wait too long for information. When you have a client literally waiting for you, capitalise on that opportunity by having simple and effective info or booking sheets ready to send.

Follow up

- Ensure you follow up with all contacts made during the Expo by email, phone and social media, preferably whilst at the Expo or immediately after.

Note: South Australia has imposed bans on single-use plastics, including balloons and confetti, please refer to the guideline here: <https://www.replacethewaste.sa.gov.au/guide-to-bans-2024-2025>.
